## About TransAct

For more than 25 years, TransAct has dedicated itself to providing K-12 districts and state departments of education with software solutions that help them streamline their operations, more efficiently meet state and federal requirements, and more safely and effectively serve their students.

Together, our cloud-based routing, field trips, and GPS tablet solutions provide a complete, user-friendly but intelligent system that frees your team to focus on student safety, driver retention, and day-to-day operations instead of managing software. Visit us at [www.transact.com](http://www.transact.com) to learn more about how we can simplify your routing and trip management processes.
